

EmergyCare's mission is to save lives and positively impact health, well-being and safety in the communities we serve.

Job Title: Director of Clinical Quality
Positions: Full-time
Location: Erie
Shift: Day shift Monday - Friday

The Director of Clinical Quality (DCQ) is responsible for the oversight of all clinical care and the organization's onboarding program. The DCQ will serve as the HIPAA Privacy Officer, Designated Infection Control Officer (DICO). The incumbent has primary responsibility for all aspects of the clinical quality improvement processes. The DCQ is to be familiar with all departments and operations of *EmergyCare*.

The incumbent reports directly to the Executive Director and coordinates all quality improvement processes with *EmergyCare's* Chief Medical Officer (CMO). In addition, the DCQ will coordinate closely with the education department to ensure This person develops and maintains excellent working relationships with EMS providers, physicians, hospital personnel and others.

As part of functioning as the DICO, the DCQ is responsible for the Exposure Control Plan (ECP) and OSHA Respiratory Protection Plan (RPP).

PAY IS BASED ON EXPERIENCE

Required Experience:

Bachelor's degree (B. A.) from four-year college or university; or one to two years related experience and/or training; or equivalent combination of education and experience.

- Current driver's license
- PA paramedic certification or ability to acquire PA reciprocity.
- Critical care paramedic certification (preferred)
- HIPAA officer training / certification (preferred)
- Designated infection control officer / certification (preferred)

Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, disability or protected veteran status.
