

**EmergencyCare's mission is to save lives and positively impact health, well-being and safety in the communities we serve.**

**EmergencyCare is hiring full-time and Part-time PHRN's.**

PHRN's provide for the delivery of quality care to all patients transported via ambulance. The PHRN must demonstrate advanced critical care skills and problem-solving techniques. Evidence of tact and diplomacy in communications are a must to ensure the development and maintenance of positive working relationships with team members, affiliated and referring institutions, pre-hospital personnel, and the medical community.

Additionally, the incumbent is responsible for the care and maintenance of all assigned equipment, for keeping abreast of current trends in emergency and critical care nursing, for contributing to the educational advancement of self, co-workers, public and community agencies, and for participation in quality assurance and marketing activities.

**Required Experience:**

- Associate Degree in Nursing or Bachelor's degree in Nursing with a minimum of two years Critical Care Nursing, Emergency Medicine or other related critical care experience and training such as CCRN, CEN, CFRN, or CTRN.
- Must have: PA Registered Nurse License in good standing and PA Pre-Hospital Registered Nurse Certification, ACLS, PALS, TNCC and CPR, Valid Driver's license and EVOC training.

Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, disability or protected veteran status.
