

BABY SITTING

SAFETY CLASS

Are you or someone you know looking to grow a babysitting business? Prepare by completing this American Safety & Health Institute *Child and Safe Babysitting Class* to demonstrate your knowledge and commitment to providing a safe environment for children while they are in your charge. Topics covered include: safety & injury prevention; play time; basic care giving skills; leadership and first aid.

Course Date: 9/29/19

1:00 to 5:00 p.m.

Appropriate for boys and girls ages 11-15 who are preparing to babysit or watch younger siblings.

\$60 registration fee includes course workbook, course completion certificate, pizza & snacks.

Maximum class size is 10 students.
